PLEASE READ:

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries must be within the 10-15-inch JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10-inch height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (NOT 16 weeks). A puppy's age is the actual age on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate or as otherwise agreed upon by the Trial Administrator.
6. Spayed or neutered terriers may compete in the Miscellaneous Conformation Section only. They may not compete in Puppy, Family*, Open, or Working Conformation. *Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed / neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the Conformation division.
8. Terriers owned or co-owned by the Trial Chairperson or any member of their household may not be entered in any phase of the competition with the exception of Child and Youth Handling.
9. Terriers owned by judges may not be entered in the division in which they are judging but may enter the competition in any other division.
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for a measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of the entire class will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issues after September 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier Classes, Certificate Go-To-Ground or Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post entry. The Judge may require a copy of the certificate be presented to the ring/den steward at the time of

judging. Registered terriers may submit a copy of NHC certificate signed by a JRTCA Working Judge within 30 days of the date it was issued.

14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site. (This applies to RV's or campers, if at the same address as the trial grounds). 01/22
15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.
16. Overly aggressive dogs or an owner's failure to control his dog may result in disqualification at the discretion of the Judges or the National Trial Chairperson.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Administrator.
19. Exhibitors are responsible to be on time for classes entered. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office (410-561- 3655) or it can be downloaded from the JRTCA website (www.realjackrussell.com)
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties, which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.
22. All dogs brought to JRTCA Sanctioned Trials must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.

DIVISION A - RACING

All terriers must be muzzled. Plastic muzzles or close-ended cloth muzzles only. Black, brown clear or white muzzles are acceptable; NO figure eight, open-ended or Baskerville muzzles will be allowed.

Qualifications for Championship Run Offs

- A. Terrier must place first in a flat or hurdle race final to qualify for championship run offs. First to the hole is not necessarily first through the backside of the barrier.
- B. A terrier MUST ENTER AND FINISH in both, at least one flat race AND one hurdle race at the beginning level based on trial entries (heat, semi, final).
- C. A terrier must continue to advance, if qualified, to all additional semi-final heats up to the final championship race. If injured, the terrier is then finished and cannot race in the final.
- D. A FINISHED race is when the terrier runs down the track unassisted (by owner or anyone else) with a secured muzzle to the backside of the barrier.
- E. In the event a terrier does not meet all the above criteria, the second-place terrier in the final of that class (either flats or hurdles) will qualify for the championship run off if they meet the criteria as outlined above.

DIVISION E – TRAILING AND LOCATING

The terrier is judged on his ability to follow a line in a simulated natural hunting environment, to locate, mark and open on the quarry. The terrier is judged on a combination of time and accuracy.

1. The handler must remain at the starting area.
2. No directional hand signals allowed.
3. The handler may use verbal commands to praise or recall the terrier.
4. The length of the course is a minimum of 50 steps with at least two, but not more than four, changes in direction.
5. The trail is scented before the competition, at least 30 minutes prior to the competition for the scent to dry to the vegetation and the ground. The preferable scent is a mixture of rat urine, water and unscented glycerin. Use fox urine only if a fox is the quarry.
6. No schooling is permitted in area prior to the competition starting.
7. Flags are not to be used to mark the course.
8. The terrier is judged on his ability to follow a line in a simulated natural hunting environment, to locate, mark and open on the quarry.
9. The terrier is judged on a combination of time and accuracy. The terrier with the fastest time is not necessarily the winner.
10. The starting point is a natural marked spot indicated by the Judge.
11. The end is a natural marked spot approximately 2-3 feet from the actual quarry. The terrier's time is clocked up until he comes to this spot. This is considered coming up to the quarry for this test.
12. Additions of 1-15 seconds are taken for the following:
 - Backtracking: Runs back over the line/scented trail.
 - Overrunning: Overruns the line at a sharp turn; the harder the drive, the more the correction has to be made.
 - Weaving: Runs from side to side of the line.
 - Swinging: Races in wide circles in hit or miss fashion. Does not follow line directly. Skirts cover, sloppy work.
 - Pottering/Loafing: Mucking about on line, goes over line again. Makes check/ change of direction where none exists. Lacks animation. Swings off line at start of check, then waits for someone to find line. Pees on bushes, pokes in holes, wastes time.
 - Babbling: Opens/barks inappropriately off the line or on other game.
 - Quitting: Should be taken off trail and disqualified. • Handler Error: Misleads or distracts terrier. Does not follow orders/rules.
 - Switching Quarry: Dog swings off line completely. Dog runs other quarry/trail.
13. Deductions of 1-15 points are taken for the following:
 - Marking Quarry: Should come up to quarry: points off for not going the whole way.
14. BONUS: 10 seconds off time if dog opens on quarry.

IMPORTANT

The JRTCA is adamantly opposed to recognition /registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTCA membership is limited to individuals who support the JRTCA's principles. The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.
